Subject: Request to grant approval for Tourist Visa for Canada

Dear Visa Officer,

I, <name>, a current resident of <Country>, take this one-off opportunity to offer my happiness to have been provided with the chance to put forth my purpose to visit Canada for your kind perusal. I am writing this with the intention of applying for a <duration> days Tourist Visa for Canada so that I can attend my real sister's wedding anniversary celebrations on <date>.

PURPOSE OF VISIT

At the present time, I am residing in a rental apartment in <Country> as I am pursuing my higher education here. Along with it, I am also working as a full-time Accountant in a <Company>. My one and only purpose to pay a visit to Canada is to celebrate my real sister's wedding anniversary. My other family members and relatives will also be present there. My sister's wedding anniversary is on <date> and I intend to be in Canada from <date> to <date>.

In the following itinerary, I have mentioned my daily plans while staying in Canada.

<Date> – My flight from <Country> will land in Canada and my sister will come to the airport to pick me up.

<Date> – We will celebrate my sister's wedding anniversary at the <Place>.

<Date> – We will visit Skating at Storybook Gardens.

<Date> – I, along with my sister and niece, will visit some great tourist places in Ontario and spend some quality time with each other.

<Date> – We will take a two-hour drive from <Place> and go to Niagara Falls to witness the Winter Festival of Lights.

<Date> – From Niagara Falls, we will drive for fifty minutes and reach Winter Wonders at Royal Botanical Garden.

<Date> – We will continue our journey and visit Winter Village which is a forty-minute drive from Distillery District.

<Date> – We all will make a return to <Place> and take a rest for the day.

<Date> – I will visit some of the popular <Place> tourist places like Boler Mountain to ski and Victoria Park as well.

<Date> – I will stay at my sister's place and enjoy her and my niece's company.

<Date> – I will take a return flight to <Country> as I have to resume my office work on <date>.

WHY I WILL NOT OVERSTAY THE CANADA TOURIST VISA?

Educational Ties – I am adamant about returning to <Country> before my Canada Tourist Visa expires as my studies are ongoing in <Country>. I came to <Country> on a Study Visa in <Year> to pursue my desired study program in one of the best <Country> institutes. My course of study is expected to conclude in <Year>; hence, I have to return to <Country> to finish my studies.

Professional Ties – While pursuing my higher education in <Country>, I am also simultaneously working in a <Company> as a full-time Accountant and have a Work Permit for the same. I will be taking 15 days of leave from my office to visit my sister in Canada. As my leave ends on the <Date>, I have to be in my office on the <Date> to resume my work.

Immigration History – I have visited many other countries before and have made a timely return as well. Recently, in <Date>, I visited the UK to meet a friend and explore the country. Before that, I went to Salzburg in Austria along with my friends via car. I visited Porto in Portugal twice in which one visit was made to meet a friend and the other was done with the intention of tourism. Other than that, I went to Oslo in Norway with the goal of touring the place and have also paid a visit to Istanbul in Turkey to meet a friend. This shows that I have always made a return from my trips to another country and this time as well I will return to <Country> from my trip to Canada.

ASSURANCE OF MAINTAINING MYSELF ADEQUATELY IN CANADA

I give assurance that I will properly maintain myself during my visit to Canada. To support the said statement, I must confess that my source of income is my job in <Country> through which I manage all my expenses including education, accommodation, and international trips. So, I will make it a must to stay far away from such situations in Canada that can lead to my cessation of Canada trips.

MY SPONSOR

I am endorsing my whole trip to Canada as I am financially well-competent to do so. Currently, I have <amount> Euros in my bank account which is enough to back my finances during my <days> stay in Canada.
