**Subject: Request to Approve Visitor Visa application for Australia**

Dear High Commissioner,

I am writing to apply for a visitor visa to visit my son, who is residing in Melbourne, Australia. My purpose for this visit is to spend quality time with my son in Melbourne.

I currently reside in India with my husband. I am financially well-off to cover all my travel expenses. My son has assured me that he will take care of my accommodation and living expenses during my stay in Melbourne. I will be staying with my son for a period of two weeks, from (starting date) to (end date).

As a mother, it is essential for me to be able to spend some quality time with my son, especially given that he lives in a foreign country. It has been a significant time since I last saw my son, and I am looking forward to this trip with great enthusiasm. My visit will also provide an opportunity for me to connect with my son's life in Melbourne, understand his living conditions, and interact with his friends and colleagues.

I would like to assure the authorities that I have the financial means to support my stay in Australia. I have adequate savings to fund my travel and other expenses while in Melbourne. Additionally, I am currently employed as (job title) at (company name), where I have been working for (number of years). My annual income is (income amount), which is sufficient to meet my financial obligations for this trip.

I have never been to Australia before, but I have travelled to other countries such as Singapore, Malaysia, and Thailand for tourism purposes. I have always followed the rules and regulations of those countries and have never overstayed my visa or violated any immigration laws. As a responsible citizen of India, I have strong ties to my home country, including family and property. I understand the importance of returning to India before the expiration of my visa, and I assure you that I will comply with all regulations governing my stay in Australia.

I understand the importance of complying with the rules and regulations set forth by the Australian authorities, and I confirm that I will do so throughout my stay. I am also aware of the significance of adhering to the terms of my visa, which will strictly be for visiting purposes only. I have no intention of engaging in any illegal activities or overstaying my visa period.

I am excited about the opportunity to visit my son in Melbourne, Australia. I would be immensely grateful if you would grant me a visitor visa for my visit.

*Thank you for considering my application.*

*Sincerely,*
